CORPORATE SERVICES

COMMERCIAL AGREEMENTS

In today's financial environment, a handshake is no longer sufficient to cement the rights and terms of a deal. Written commercial agreements become necessary tools to establish, grow and maintain your business. Whether you are dealing with an equipment purchase or lease, a technology license, an employment agreement or a game-changing strategic alliance, Hartman Simons & Wood LLP attorneys zealously negotiate agreements that protect your rights and align with your objectives. We ensure that mission-critical documents are clear, concise and delivered on time and on budget.

CORPORATE GOVERNANCE

Corporate governance plays a major role in how you conduct business today and in your ongoing success. Hartman Simons & Wood LLP can help you achieve your goals by handling all the legal aspects of structuring and operating your business. When advising you on what kind of a business entity to select, we provide a simple, comparative analysis of structural and tax differences among the various structures available, including:

- Corporations
- Subchapter S corporations
- Limited liability companies
- Limited partnerships
- General partnerships
- Limited liability partnerships

Our counsel extends throughout the business lifecycle to include comprehensive services on an array of issues, including:

- Articles of organization
- Bylaws
- Operating agreements
- Partnership agreements
- Board structure and governance
- Limited partnerships
- Securities law compliance
- Stock option plans
- Shareholders' agreements

MERGERS AND ACQUISITIONS

At some point in the life cycle of business, many companies face mergers, acquisitions or divestitures. In these situations, Hartman Simons & Wood LLP focuses on protecting the welfare of our clients to ensure their position improved at the close of the deal. We represent clients of all sizes and stages in these transactions, from large, publicly traded national and international corporations to venture stage or seed capital companies.

PRIVATE EQUITY

Hartman Simons & Wood LLP represents buyers and sellers of both private and public companies across many industries and in all stages of the investment cycle. Whether we are representing a capital source or a business with capital needs, we provide practical business solutions that position companies for growth and success.

TAX

In joint counsel with accountants, our team advises on the tax implications of a variety of transactions, including:

- Acquisitions
- Mergers
- Business reorganizations
- Securities offerings
- Liquidations
- Sales

Clients also tap the expertise of the Hartman Simons & Wood LLP team to ensure that inventory management, pricing structure, and expense capitalization do not result in unnecessary tax liabilities.
